Why Dread Old Age?

It don't make much difference how old you are if you only keep in good health and are active. Many people appear older at 50 than others do at 70. Claude Farr has moved into the house recently bought of James Cannon and Mr. Cannon moves into Mr. Kinsman's tenement.

STOWE

Ancient Ledger Found When Old Town Safe Was Dynamited.

An interesting document, found when an old safe belonging to the town was recently dynamited, in order to open it, is the ledger kept by John Seabury, treasurer of the town of Stowe, the first entry being made July 27, 1798, and the last Dec. 1, 1808. The book is made of 10 sheets of coarse note paper sewed together with stout linen thread with a cover of newspaper. Advertisements in the paper, the Connecticut Gazette, are dated Jan. 16, 1798, and news items are dated in November of that year. Some of the items related to unsettled conditions in Europe owing to war between England and France. Mrs. Helen A. Wilkins of Stowe is a granddaughter of John Seabury, who was one of the early settlers of Stowe. The town was organized in 1797 with Clement Moody town treasurer. Mr. Seabury evidently succeeded him the next year. At the age of seven Mr. Seabury was on board ship with his father, Captain John Seabury, on a return voyage from the West Indies to New London in 1781, when all on board except himself were destroyed by the British. The boy escaped by hiding among the slain. Mr. Seabury was a lineal descendant of John Alden of Puritan fame.

The regular annual meeting of the Lake Mansfield Trout club will be held at the clubhouse at Lake Mansfield Wednesday, June 1, at 11 o'clock a.m. The house will open for the season Sunday, May 29. Previous to Wednesday noon the individual catch will be limited to five pounds and the total catch to 200 pounds.

Accompanying the notice of the meeting is the report of the secretary and treasurer, O. E. Luce, which shows that there are 202 members of the club; the assets of the club amount to \$13,225, with no liabilities. The receipts for the past year amounted to \$12,759.91 and there is on hand the sum of \$1,061.84. The sum of \$868.08 was spent on improvements to hatchery, new boats, trout and eggs and \$880.08 for permanent improvements. The assets include real estate valued at \$10,000 and a herd of 20 head of registered Holsteins. In the last 16 years 11,212 pounds of brook trout have been taken from the preserve.

PITTSFIELD MAN TELLS

INTERESTING STORY

Experience With Case of, Rheumatism 25 Years Ago

Geo. H. Carpenter runs a carriage and automobile painting shop at Pittsfield, Mass. He enjoys a reputation as a master of his trade and his work is highly regarded.

In a letter he wrote he said: "My rheumatism pain ease * * * I used it 25 years ago and it cured my rheumatism."

A simple straightforward statement of fact from a substantial citizen. Think what he must have suffered and how grateful he felt after 25 years.

The Scotch Liniment known as "Mysterious Pain Ease" penetrates in such a way that it relieves inflammation and pain ceases to exist.

Many people in all walks of life have heartily endorsed it. Users of "Mysterious Pain Ease" recommend it for pains of rheumatism, neuralgia, sprains of all kinds, neuritis, lumbago, sciatica, burns, muscle cramps, stiff neck, chilblains, muscular colic, where the shoulder, chest and back muscles are in pain, and pain arising anywhere from inflammation.

Pain is a matter of inflammation—if you can overcome the inflammation the pain goes.

A Scotch doctor got up the formula of this famous Scotch Liniment and it did stop pain so surely and quickly that people thought there must be something mysterious about it. They got so they asked for it by the name "Mysterious Pain Ease" and so the name came to be "Mysterious Pain Ease"—named by grateful sufferers who had found the way to be rid of pain.

Mysterious Pain Ease is sold by most leading dealers. Any druggist can get it for you from his jobber.—Adv.

There were 450 girls present, who were entertained in an excellent manner, many fine lectures being listened to. One hundred cars were furnished to make a trip to Northfield, Mass., to visit the Moody institute. On their way back, they visited the state prison, saw the famous bloodhound, the different wards, dungeon and the electric chair. The homeward trip was by way of Coates, N. A harmless, yet very effective, treatment is here given for the quick removal of hairy growths. Mix enough powdered delatone and water to cover the undesirable hairs, apply paste and after 2 or 3 minutes remove, wash the skin and the hairs have vanished. One application usually is sufficient, but to be certain of results, buy the delatone in an original package. Mix fresh as wanted.—Adv.

For Itching Eczema, Old Sores and Piles

"I guarantee my ointment," says Peterson of Buffalo, "to cure eczema, itching at once and any reliable druggist will cheerfully refund your money if PETERSON'S OINTMENT doesn't do everything I say it will do."

William A. Carley of Franklin, N. Y., is only one who has had an old sore on his leg for many years. The best doctors failed. PETERSON'S OINTMENT entirely healed the sore quickly.

Carley writes: "I had a letter from a Canadian comes a letter from A. Blockley, stating: 'The best thing I ever hit for itching eczema is PETERSON'S OINTMENT. It has been for 25 cents. Mail orders filled by Peterson Ointment Co., Inc., Buffalo, N. Y.'—Adv."

Then there is Alex. Lottel, a brave fireman of Buffalo, who is glad to write as follows: "I had an old sore on my leg for many years. The best doctors failed. PETERSON'S OINTMENT entirely healed the sore quickly."

RHEUMATISM LEAVES YOU FOREVER

Deep-Seated Uric Acid Deposits Are Dissolved and the Rheumatic Poison Starts to Leave the System Within Twenty-four Hours.

Every druggist in this county is authorized to say to every rheumatic sufferer that for two bottles of Allenbur's, the sure conquerer of rheumatism, does not top all agony, reduce swollen joints and do away with even the slightest twinges of rheumatic pain, he will gladly return your money without comment.

Allenbur's has been tried and tested for years, and really marvelous results have been accomplished in the most severe cases where the suffering and agony was intense and pitiable and where the patient was helpless.

Mr. James H. Allen, the discoverer of Allenbur's, who for many years suffered the tortures of acute rheumatism, desires all sufferers to know that he does not want a cent of anyone's money unless Allenbur's decisively conquers this worst of all diseases, and he has instructed the Red Cross Pharmacy to guarantee it in every instance.—Adv.
